## Education

Graduated high school at Educational Technologies with a specialization in Graphic Design.

Completed 5 years at New Bulgarian University, specializing in Graphic Design, Architecture, and Interior Design.

## Skills

I have very strong knowledge in 3D, and have been primarily working in this field for 8 years. The main software I use is Blender, in which I have advanced proficiency. Additionally, I have worked with 3ds Max, Cinema 4D, and Maya.

I also have experience in the gaming industry in both 2D and 3D using Unity and Unreal.

I can work at a very high level with Photoshop, Illustrator, and InDesign.

I have excellent proficiency with Microsoft Office (Word and PowerPoint).

I have worked with SketchUp, LayOut, and Style Builder, using them for drafting and developing technical drawings in a professional environment.

I have basic programming skills in C++ and Java.

I have experience in video editing and possess strong knowledge of PowerDirector, OBS, Format Factory, Premiere Pro, and DaVinci Resolve. Additionally, I have good skills in After Effects and HitFilm Studio.

I also have knowledge in sound design using FL Studio.

I can work with WordPress and can create and maintain websites.
